

GOOD RACES WERE WELL ATTENDED.

Events at State Fair Track Attracted 2,500 Turf Devotees.

FAVORITES GOT THE MONEY.

James Devine's Marshall Murat Made A Great Race and Won in the Third Event.

One of the most successful race meets ever held in Salt Lake took place at the state fair grounds track yesterday afternoon, under the management of W. S. Jones. The events attracted a large crowd, probably more than 2,500 persons being on hand, and that they enjoyed the races there can be no doubt.

The program consisted of three harness events and one running race, divided into nine heats. The program was long enough by no means to assume the races were pulled in quick time and there were long waits. This was evidently appreciated by the spectators.

The favorite horses certainly had a day of it, for they carried off every event in straight heats with the exception of the second heat of the trotting number on the program. In this America was beaten under the wire by June Wilkes.

In the first event Angie Duryea had everything her own way. She took the first and second heats and finished the race.

June Wilkes made a splendid start in the first heat of the second race, and it was neck and neck between Chester 8 and America. In the other heats, however, the horse did not seem to be in the running. June Wilkes took the second heat from America and there was some suggestion that the latter had been pulled but the judges took no notice of the claim. The next two heats were taken by America.

The third heat was taken by James Devine's Devine, Marshall Murat and Peary. The pretty stallion took two straight heats, the second being almost dead on. Mr. Devine drove Marshall.

Many of the track patrons thought the horses were not up to par yesterday.

Certainly it was interesting and exciting, and a hot race between Argot and Commodore.

The second inning was not finished, but the first was won by Ogden by a score of 10 as against Salt Lake's 4.

ON THE RACE TRACK.

Keene's Champion 3-Year-Old, Sosby Captured Rich Stake.

New York, July 4.—James R. Keene's champion 3-year-old, Sosby, winner of the rich Tidal stakes and the Commonwealth handicap today added another stake to his already long list by capturing the Lawrence Realization stakes at Sheephead Bay. Sosby was a hot favorite at 2 to 5 and at no time during the race had his backers cause for alarm. H. P. Whitney's Tonya was an even second, while Fred Burrow's Maryland third, a more perfect day could hardly have been wished for; and the summer meeting of the Coney Island Jockey club had a glorious ending. Fully \$5,000 persons were on hand when the horses lined up for the race, and it was a far greater meeting than you can imagine it to be.—R. D. YOUNG, D. D., 927 North Pine St., Natchez, Miss.
